TAKES ADIRONDACK HANDICAP FROM PASADENA, FAVORITE.

Stalwart, Good Cheer, Malden and Naughty Lady All Successful First Choices at the Saratoga Track-Gamara Comes in First in the Two-Year-Old Handleap.

SARATOGA, Aug. 24.-Capt. S. S. Brown's olt Broadcloth was victorious in the \$5,000 dirondack Handicap, for two-year-olds, six furlongs, run here this afternoon. There vere only four starters. In the speculation Broadcloth and R. T. Wilson, Jr.'s, Sparkling Star opened equal favorites, but both went back in the prices, the former to 18 to 8 and the latter to 2 to 1, while James McLaughlin's Pasadena was hammered down from 3 to 1 to 17 to 10, the final choice of the wise men.

Blue Coat, who was always at 8 to 1, made

with Broadcloth and took command without much effort. After that it was only a big gallop for Capt. Brown's colt, who had three lengths to spare as he flashed past the judges.

Pasadena, outrun in the early stages, closed in the stretch and took the place from Blue Coat by a length. Sparkling Star was a ter disappointment, coming home tast.

The time was 1:15 1-5.
George Hendrie's colors were seen in front in the first race, when his fast filly, Good Cheer, s to 5 favorite, got the money by a head. She was fourth to the head of the stretch, where Travers let her down, but at the end she was tiring and Canteen, backed down to ives, who came from nowhere and was sec ond, would have won in a few more strides Lee, who rode Canteen, made a claim of foul, which was not allowed. James V., 7 to 1, was a length and a half back, beating Belie of Belle Meade, a good thing, by a length. The latter, who got away poorly, ran a fine goes again.

Malden and Trek were the only starters in the steeplechase at about two and a half miles. The former was a prohibitive favorite at 8 to 20, but he did not enjoy the looked for cinch. After leading all the way, and with an advantage of five lengths at the last jump, he began to show weariness, and Dayton came so fast with Trek on the flat that it was only in a drive that Malden won by a length and a half in 5:10. E. R. Thomas's Stalwart was a 3 to 5 favorite

in the handicap at a mile and an eighth. He shouldered 120 pounds and easily outclassed the others, Odom having him well in hand when he passed the wire, two lengths before spring. 4 to 1 second choice. The latter made the pace for nearly a mile, and was six lengths better than S. S. Brown's Proceeds, 7 to 1. The race was run in 1:55 4-5.

Naughty Lady, a heavily backed 9 to 5 favorite, won the fifth race, at a mile. Old England, 3 to 1, showed in front for three-quarters of a mile, but he never could draw away from Naughty Lady to any marked down she won by three lengths, but her jockey, declining to take chances, rode her out to the wire. Jane Holly, 3 to 1, made a bold bid in the middle of the stretch, but tired and finished in the place, five lengths in front of Allan, a 40 to 1 shot.

R. T. Wilson, Jr.'s, Gamara, 2 to 1 second choice, was victorious in the last race, a handi-cap for two-year-olds, five and a half furlongs. Caper Sauce, 10 to 1, had early speed, but Gamara passed him at the half mile pole and won in a drive by three parts of a length Caper Sauce lasting long enough to beat One Way, 6 to 1, a length for the place. S. S. Brown's Blue Bird, the favorite, was second at the head of the stretch, but curled up when Burns went to a drive. The time was 1:09 4-5. Four favorites finished in front. The track was good.

ment that Ward and Clothier played to-day, and Ward won the match on being able to cope with all kin s of play, not confining himself to any particular style.

Although Ward won in straight sets, they were long ones and hotly contested, it taking eighteen games to decide the first and sixteen to decide the third. The second set was an easy one for Ward, Clothier getting but four games. Before the match started the odds were 3 to 1 in Clothier's favor, and it was thought that he was a sure winner, but he did not display the generalship that Ward did and was not accurate in his placing. Ward played equally as good a game at the net as he did in the back court, and this is what worried his opponent.

The finals in the consolations were wen by Robert LeRoy, who won in straight sets. The results follow:

Championship, Sinches—Final—Holcombe Ward heat William J. Clothier, 10—8, 6—4, 6—7.

National Championship—Holcombe Ward beat H. L. Doberty by default.

Consolations—Final—Robert LeRoy beat Charles E. Sands, 6—4, 6—4.

CHICAGO, Aug. 24.—"Pa" Bradley's filly, Allie Virgie, furnished an amusing incident in the first race at Hawthorne which was not carded, but which was clearly the feature of the afternoon's sport. Just as the field left the post the mare unscated Jockey Larsen, but she was not to be beaten, even without a rider, and went along with her field. Cyprienne, the well played favorite, set the pace with Allie Virgie, a well up second. Turning for home Cyprienne led by five lengths, and as the final eighth pole was reached Allie Virgie began to make her run. The crowd in the grand stand cheered her on, and buoyed up by the loud applause, each gained inch by inch, just as the thoroughbreds do at times when the jockeys are using whip and spurs.

Twenty yards from the wire Allie Virgie had joined Cyprienne. For a moment Aubuchon began to ride his mount, not knowing that one about to beat him was riderless. Amid cheers equal to that given any Derby winner, Allie Virgie crossed the line, winner by a good neck. Cyprienne, although beaten, was declared the winner. Summary:

Open Champion Meets Defeat in Deal

money went to Aleca Smith, the open champion of southern California, with 162. The prizes were the subscription of the members and W. C. Carnegie, amounting to \$500.

The course as arranged for the recent amateur tournament, at 6,495 yards, had been stretched out over a hundred yards and was the longest ever played in an Eastern tournament. Some exceptional holes were a 4 by Gardner on the second, a 4 by Isaac Mackie on the fifth, a 2 by Aleck Smith on the sixth, a 3 on the eleventh by Will Smith, a 4 by Dave Hunter on the twelfth, a 2 on the thirteenth by Low, a 3 on the fourteenth by Will Anderson, a 5 on the fifteenth by Pearson and a 3 on the home hole by Norton.

Three were tied for the lead in the morning at 78, Gardner, Isaac Mackie and Aleck Smith, with Will Anderson, who was off in putting, finishing with 81. Gardner did an 80 in the afternoon, and the same return from Anderson brought him up with Mackie, who needed 83 for his second round. Putting was the only bother any of the leaders had to complain about, for the long carriers were easy to them. If the selected score had been picked from all the cards it would have been 86, 30—68.

Amateurs who served as scorers were George Harvey, E. G. Fraser, Thomas C.

GOSSIP OF THE RACETRACK "GET AWAY" IN THE AIR AND

SMALL FIELDS AT THE SPA. Pittsburg Phil" Said to Be a Big Winner -E. R. Thomas's Horses Shipped to

Sheepshead-Trouble Between White and Negro Hostlers and Several Hurt. Saratoga, Aug. 24.—"det away" was in the air to-day. The morning trains carried hundreds away, and some of those who were booked to leave to-night did not even go to the track. This brought the attendance down to the low water mark. In the betting

domains the stools of the layers were spaced out to make a showing, and their tale when the day was done was of the scarcity of busi-

The fields averaged lighter than they have at any track this year. This is no reflection on the management, but more the desire of the best part of the army of turfites to get home and settled before the opening at Sheeps-head Bay next Saturday. The lesson of the showing seems to be to end meetings on a Saturday. This carrying it over to the middle of the week is something the average racegoer cannot or will not get accustomed to. The officials of the club saved a couple of valuable stakes to keep some of the better grade here, but their efforts seem to have failed. The competitors for the races to-day were ordinary, and the same can be said of

John W. Gates and his followers were very especially just before the closing event. Adirondack Handicap, and their tip was to get more on his stable mate, Blue Bird, in the closing event. In the early betting their commissioners remained in the back-ground, and the price against Blue Bird climbed up until 3 to 1 was offered on all sides. Then they got busy, and when their money was all on \$ to 5 was the very best obtainable.

The colt showed prominently in the first

The coit showed prominently in the first half of the trip, then faded away and at the end was a poor fifth. This saved the layers, for had the coit won not one of the line would have been able to end the day's business a

Drake has the same tale to tell.

"Pittsburg Phil" did not take the Blue Bird tip and played the winner, Gamara. He had a good day, and this is not the first that he has had at the meeting. Those in a position to know say that he has won as heavily as during the days when he was the plunger of the country. He looks much better than when he came here, and the chances are that he will be able to go to the end of the

season without another vacation.

Sparkling Star ran to-day with a piece of received the cut last Saturday, when he ran for the United States Hotel Stakes. Histrainer, Tom Healey, said that it looked a little out of line to send him to the post in this condi-tion, but the purse was a valuable one and the field rather commonplace, and he hoped the horse would run to his mark, and if he did he would win. The race showed that the injury troubled him, for he was

badly beaten. E. R. Thomas shipped to New York to-day Hermis, Lady Amelia, Reliable, Hunter Raine, Dimple, Lady Potentate, St. Bellane, Flyback, Cloverland and Niblick. The others of his string, which number fifteen, will remain here in the care of Will Shields until early next week, when they will be divided, some of them going to Buffalo for the Kenilworth meeting and the others join-

ing the Sheepshead division.

Hermis, it is believed, will be out at Sheepshead Bay. He has had some good slow work here this week and shows none of the trouble which it was believed had brought a permanent retirement for him. Lady Amelia did not run here, although she showed in her morning tasks that she was as fast as ever. She was entered a number of times, but on each occasion the blue pencil went through handicapper were such that her owner de-

clined t accept them.

J. W. Colt, the owner of Malden, who won the steeplechase, went in the stewards' stand before the riders had weighed in and had a heated talk with the officials. When he was asked if he had made a complaint of any sort ers, yesterday won his first decisive victory over the Eastern golf professionals. He led the field at the Deal Golf Club tournament with 15s. Next to him were Will Anderson— and Trek were in the air at the same time, when the color of the was a slight bump. To those near the point where the bumping is supposed to have taken place it looked as if Mara was the offender rather than the sufferer, but at all events it was nothing that would warrant a complaint,

if this was what took Mr. Colt into the stand. Billy Dubois, the clubhouse commissioner, is reported to be very ill at his home in Brook-lyn. He left here last Monday night to prepare for the Coney Island Jockey Club's opening. He was not well when he started, and he arrived home in a condition that is said to be alarming to his family. In his illness his business will be looked after by his

Lee, the rider on Canteen, who finished second in the first race, lodged a claim of foul against the winner, Good Cheer. His complaint was that Travers, who rode Good Cheer, hit him with the whip in the last furlong. This may have happened, but it was not seen either in the stewards' stand or by those along the rail. There is no question that Canteen was the best, but she was pooketed until well in the homestretch, and this was what beat her, not Travers's whip. A special train of horse cars will leave here

BIG PURSE FOR CONSUELA S. Wins the Massachusetts Stake for Trotters

-Driver Howell's Leg Broken. READVILLE, Mass., Aug. 24.—Readville's classic event, the Massachusetts, for 2:10 trotters, took place this afternoon, and the bulk of the purse of \$15,000 was won by Con-suela S., the handsome bay mare from Eastview Farm, N. Y. The result was a serious blow to the talent, who had pinned their faith to Dr. Strong, the big gray gelding from Toledo, although some of the crowd thought well of Consuela S. Dr. Strong took second money, George C., driven by Ed Geers, third, and The Roman won the small end of the

The victory of Consuela S., after she came home in the place in the first heat and a poor fourth in the second, was a tremendous bor fourth in the second, was a tremendous surprise, and it was due to the fine driving of De Ryder that she was brought under the wire in first place. Walker had great dif-ficulty in getting the twelve starters in this event away together, and in every heat he had to caution some one of the drivers. De Ryder was one of the worst offenders, and he was fined \$100 for sending his charge away ahead of the pole horse. to relax yesterday. They struck one of those easy games which are rare in the American League. There was not much doubt after the second inning that they would win, and the game became easier every inning. The New Yorks won without going to a drive by long, clean and steady hitting. Pelty was a genuine good thing for the home team. He was not only hit hard, but pitched a slovenly game as well, and went after a record by hitting four batsmen. His fellow Browns were a listless lot behind him. As for the New Yorks, they played with ginger and snap

in all respects. Their fielding was engineered with swift precision and had no flaws in its smooth mechanism. Three home runs were made off Pelty. Willie Keeler getting two of them. Willie's lack of weight handicaps him in making long hits, and one of the players said yesterday that he had not made a home run before in three years. He ended the long four bagger-less period with a vengeance while he was about it. Both of his homers yesterday were unadulterated, man's size hits, the first going to deep right centre and being entitled to a

niche in the longest hits collection.

Dougherty scored on a home run in the first inning. He cracked a liner to right which would probably have been a single had Hynes not slipped. Ganzel's triple, Conroy's single and the hit and run game by Conroy and Kleinow gave the New Yorks two runs in the second. Keeler made his screaming home run in the third, and in the fourth the hitting of Conroy and Orth and the former's good base running yielded a run. The only St. Louis run was made in the sixth on Heidrick's two-bagger, Wallace's single and an out. Conroy's triple, Fultz's double, Kleinow's bunt and Orth's fierce jab for a base scored two New Yorkers in the sixth. Two more scored in the eighth. Dougherty was hit, went to third on a wild pitch, and then Keeler hammered the much battered Pelty for a home run along the right foul line.

Catches by Burkett and Heidrick were features, as also was a stop by Fultz. Anderson was the beginning and the end of a warm double play in the ninth. He gathered in Jones's jostle, threw Hynes out at second, then danced back in time to take Elberfeld's return and nip Jones at first. The score: by Conroy and Kleinow gave the New Yorks

BOSTON (A. L.), 4; CHICAGO (A. L.), 3. BOSTON, Aug. 24.—Boston defeated the White Sox this afternoon by hard hitting and Owens's wildness in the fifth inning. Chicago got all her runs in the first on three hits, an error and a passed ball. Freeman's hitting was the feature of the game, as he got a home run, a triple and a double. Only two hits were made off Dineen in the last eight innings. The score:
